INSIDE THE BOOTCAMPS

A **Bootcamp on Design** was organised for students of Gurugram at **DPSG Palam Vihar** by Atlas Skill Tech University. Ms. Bulbul Chaudhary, Pro VC, Atlas Skill Tech University introduced students to the concept of entrepreneurship and designing through engaging exercises.

In order to light up the spark of entrepreneurship among the future of our country, it is vital to make them aware of the prospects and mantras of starting a business through design thinking. The **Bootcamp on Design Thinking** organised by CCUP at **DPSG Sushant Lok** was every bit of excitement, thrill, and a knowledgeable session for all the students. A special shout out to our amazing speaker, Mr. Abhinav Chaturvedi, Associate Professor - Mahindra University for an engaging session.

Design thinking is an iterative process in which you seek to understand your users, challenge assumptions, redefine problems and create innovative solutions which you can prototype and test. Career options are as follows:

Business Designer	Design Researcher	Design Entrepreneur
Designer Coder	Brand Experience Design	Strategist
User Experience (UX) Designer	Product Design	Service Designer

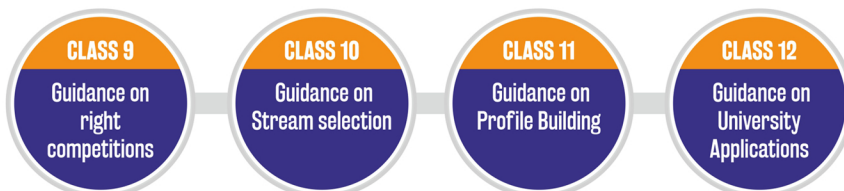

A **Bootcamp on Research** was organised for students of Ghaziabad at **DPSG Vasundhara**. More than 150+ students benefited from this camp facilitated by experts from Shoolini University.

DPSG Meerut Road in collaboration with Flame University, Pune organized a two-day Communication Bootcamp on the campus. The camp was organized under the aegis of DPSG Society's Career Counselling and University Placements Department wherein the students of grades 10, 11 and 12 were inspired to explore their creativity, understand content creation, branding, and advertising and understanding various facets of communication, unleashing the creative communicator within them. The young participants won attractive prizes in the competitions during the workshop.
