

THE PLACEMENT SCOOP

November 2023

Rishika Yadav, DPSG Meerut Road

"I am thankful to the education and guidance I received from the school & CCUP team that helped me get into ESSEC Business School, one of the best in the world. DPSG equipped me with academic skills, fostered my passion and creativity, and nurtured my leadership abilities. The school thoroughly prepared me for my future career.

Singapore**

Ayudh Pratap Singh, DPSG Meerut Road

I am immensely thankful to my school for the sheer guidance and learning I received. The counseling and round the clock help from CCUP helped me get placement at University of Buffalo in Computer Science. I have always been passionate about the ever evolving computer technology and now I'll be able to take my passion a notch up.

University at Buffalo**

UNIVERSITY FAIRS TO REMEMBER

The CCUP team organized a grand university fair at both our Vasundhara and Dehradun campuses, attracting participation from over 100 National and International Universities.

Academic Mantras to Conquer 2024

Self-Expedition:

It's time to take a peek inside and unravel the hidden talents you own. Learn about 'not-so-mainstream' jobs and choose what makes you feel passionate.

Keep Exploring:

There is so much to learn in this world! Ignite that curious mind and travel those untouched academic paths.

Networking is the key:

As you network more, you grow more. Get in touch with school's Alumni, make professional connections on social media like LinkedIn and get a chance to learn something new from the experts.

A thoughtful CV goes a long way:

Find out what makes you, YOU! Start with drafting a balanced resume which explains everything about your personality, achievements, and work ethics

Academic Goals are Vital:

Take a deep breath, introspect and understand where you belong in the academic realm. Setting academic goals before you set out for a big adventure called life is utterly important.

Search for a CCUP Mentor:

Having a versatile mentor by your side is a blessing. Seek for a CCUP mentor who can be your guiding light when it comes to placements. For career queries, shoot an email to mgr1.ccup@dpsgs.org.

Transformative Masterclass on Sleep & Mental Health

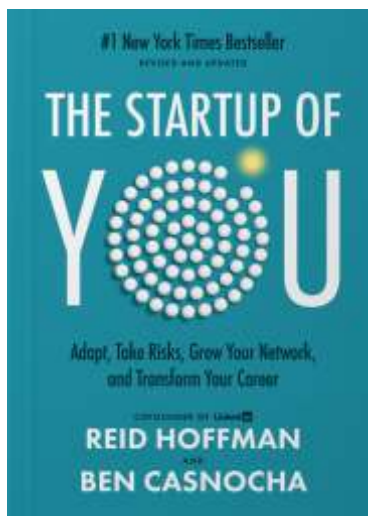

Professor Shantha M. Wilson Rajaratnam from Monash University, renowned for his expertise in sleep science, led an engaging and thought-provoking Masterclass that left a lasting impact on our students.

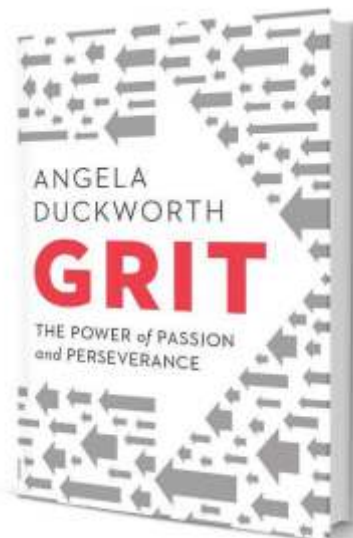

The event, organized by the CCUP team, was a captivating exploration of the essential connection between sleep and mental health. The session focused on the crucial relationship between sleep and mental health, offering valuable insights and practical knowledge for our Grade XI students.

RESOURCEFUL READS OF THE MONTH

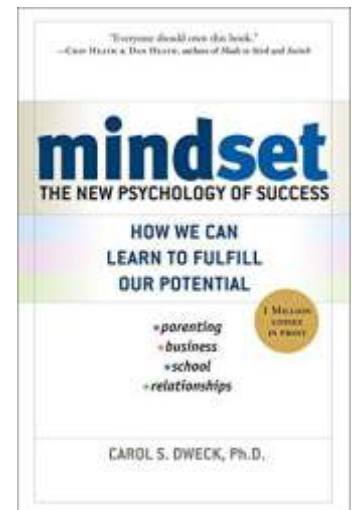

Cozy up and get into the winter spirit with some coffee and books by your side! These books are indeed a treasure of knowledge which will help you in school & life.

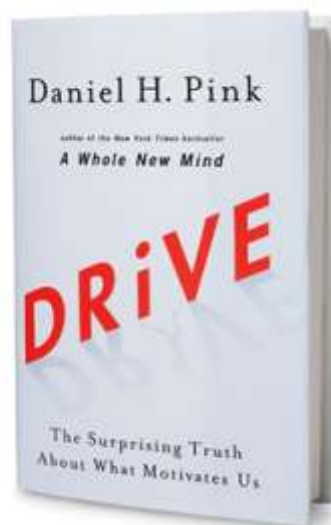

Learn to adapt, innovate, and invest in yourself.

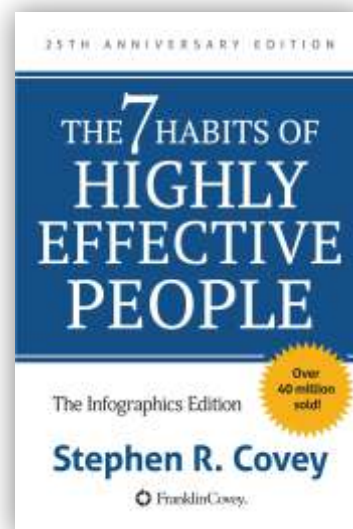

Duckworth's insights will motivate you to persevere on your career path.

Dweck's research will reshape your perspective on success.

Pink's book will help you understand what drives you and how to stay motivated on your career journey.

Covey's habits will guide you toward success in any endeavor.
