### INDIVIDUAL CAREER COUNSELLING SESSION GRADE XII

- Individual counselling sessions were conducted for **Grade XII** students through the month of August.
- The aim was to guide them in making informed career and higher education choices. Each session was based on the student's psychometric test results, analysing their strengths, interests, and aptitude. Students were introduced to a wide range of career pathways, courses, and universities suited to their profiles.
- One-on-one discussions also addressed admission processes, entrance exams, and future planning. The sessions offered personalised guidance and clarity on students' next steps after school.
