DPSG UNIVERSITY FAIR - 2022

We, at CCUP, organized various University fairs to introduce and make university life and the admission process familiar to DPSG students from different branches. It focused on universities in Australia, India, the USA, the UK, and Canada. There were conducted in three branches with a total outcome of 3600+ students.

Career Talks by DPSG Alumni

We have also organized, webinars and students to help decide and take fruitful career decisions in life. These were a series of events that included the career talks by Delhi Public School Ghaziabad Society alumni and therefore, were very interactive and thoroughly enjoyed by DPSG Students.

APPLICATION SEASON MONTH

(October- March)

The months from October to March have been of communication between the students of DPSG and counselors at CCUP. We have got a couple of offer letters, and scholarship offers, and many are awaiting a decision.

**MAXIMUM NUMBER OF APPLICANTS
HAVE APPLIED TO THE COUNTRY OF-
UNITED KINGDOM**

The United Kingdom is one of the most promising countries that ensure internationally recognized teaching across the world. Therefore, it gives an advantage, and thus, the United Kingdom is ranked 20 globally for employability, and 14 ranked in the top 100 (Top universities employability rankings, 2021)

**SCHOLARSHIPS GRANTS ARE
GIVEN MAXIMUM BY-
AUSTRALIA**

Australia is considered to be the home of scholarships and financial aid providers to applicants every year. Education from Monash University, the University of Adelaide, or any other recognized Australian university gives a sense of contentment in education. Australia, therefore, promises a secure future and career by cutting down the cost of education.

**THE PLACE FOR MAXIMUM
GROWTH AND DIVERSITY-
UNITED STATES OF AMERICA**

With the recent applications and received offers, the country of the United States of America has proved to be a diverse destination for students to get admission. Several universities provide internships and extraordinary club opportunities which therefore drives them towards studying in the United States of America.
