GHAZIABAD SOCIETY

SPORTS SCHOLARSHIP POLICY

Introduction

Sports is not only an institutional competitive activity but also helps in educating the youth regarding their behaviour and qualities to help in their social and emotional adjustment with the society at large, irrespective of culture, religious or beliefs. Sports is not just a method for recreational growth and development but also helps in integration of youth with the nation's social order.

To bring laurels to the country and for personal professional development in sports, the youth have to not only spend their time but also their limited resources to achieve excellence. It would be imperative that the country on a whole supports their efforts financially so that resources are not a constraint to their education and sports development.

Aims & Objective of the Policy

1. The objective of this policy is to spot sports talent and grant them admission to school on sporting merit-based scholarship. This will be the focus of the Sports Scholarship Policy in the first phase. The policy would be applicable to sportspersons who are medal winners in recognised international, national, state and district championships or participant in international, national and state championships.

General

This policy supersedes any other policy existing and in force as of 1st April 2022.

1. Sports Scholarship will be available from class VI-XII.
2. All scholarships are awarded to the student for Only One Year at a time till the end of academic year; it may be renewable in accordance with the eligibility criteria for the year.
3. Winners of international, national, state and district championships held by/under the aegis of the governing national sports federation (body) recognised by the government of India, and participants of international, national and state championships as mentioned above, specified under the Sports Scholarship policy will be eligible for scholarship.
4. The Sports Scholarship Policy will be announced on the school website/notice board and admissions will be subject to competing the process and subject to availability of seats and budget for the specific sports discipline. If seats are not filled up in the class under the sports scholarship policy in the stipulated time, then the reserve candidates, sports-wise, shall be considered for admissions. Under this policy, a student can join

school in any month. Scholarship would be applicable till the end of the Academic year for a maximum of one year.

5. A student will be eligible only for ONE type of scholarship i.e., Open Merit Scholarship (OMS)/School Sports Scholarship (SSS)/Staff Ward Scholarship (SWS), he/she will have the option to choose.
6. The student will have to apply afresh and meet the eligibility criteria for the next academic session.
7. The number of Sports Scholarships to be offered every year is to be finalised by each Standing School Sports Committee of the schools at the time of Budget preparations, before the commencement of the academic session.

Definition

1. Tuition Fee: Means tuition fee as determined by the School and Society Management from year to year and excludes all other fee of any description whatsoever.

2. The Exclusions include Registrations, Admission, Examination, Books, Stationery, Uniform, Excursions, Exchange Programme, Bus Fees, **Lab Fees**, and any other special purpose fee are payable as applicable to other students. **Gross Annual Tuition Fees** is the amount that the school has notified for the purpose of legal compliances.

3. General Waiver is an amount that schools, depending on local factor and after approval from the Society, extend to their students. Schools may or may not offer these waivers.

4. Net Payable Tuition Fees is the amount that students are required to pay after deducting the general waivers, if any, from the Gross Annual Tuition Fees.

5. Full Scholarship: Subject to annual revisions, the amount for the Year 2022-2023 is fixed at 70% of Net Payable Tuition Fees. The student will pay the difference of Net Payable Tuition Fee and Full Scholarship amount.

6. The fee of any other description including Registrations, Admission, Examination, Books, Stationery, Uniform, Excursions, Exchange Programme, Bus Fees, Lab Fees, and any other special purpose fee are payable as applicable to other students.

Overall Structural Process for Implementing Sports Scholarship Policy

How It Will Work – Details:

Every school will set a Standing School Sports Committee with the following composition:

- Principal
- HM or Coordinator Senior School
- Head Foundational Domain
- Coordinator – Sports

1. Schools will draw up their comprehensive scholarship plan for the forthcoming academic year at the time of Budget preparation, before the start of academic session. Schools will propose areas of scholarship, number of scholarships and the amount budgeted for each discipline. The proposal will be vetted by Sports Department at Central Office, processed through VC, and approved by the Chairman.

2. Any student desirous of and eligible for the sports scholarship may apply in the prescribed format in writing clearly indicating the discipline category of sports scholarship being applied for.
3. Upon due completion and compliance of the eligibility criteria, or any other requirement, a final list of recommendations for scholarship shall be prepared by the School Sports Committee and forwarded to VC for further process.
4. Separate lists will be submitted in case of renewal of current scholarships and grant of new scholarships.
5. Upon approval by the Chairman, the list will be notified to all concerned

Release of Scholarship

The Scholarship shall not be paid in cash or upfront, but shall be adjusted pro-rata, against the annual tuition fee payable in such manner as decided by the school.

Annual Notifications

Every school shall, after obtaining necessary approvals from the DPSG Society, notify in the month of January, the quantum of scholarships and other changes in the policy or the process that shall apply during the Academic Year starting in April that year.

Procedure for Monitoring

1. The school will submit a progress report regarding the sports performance in prescribed format in respect of each student availing this scheme.
2. The student who is awarded the above scheme will not be debarred from accepting any other scholarship and stipend from any other source/funding agency.
3. Some provision should be made for leave of absence as and when required for the candidate's sporting activities.
4. The school shall submit annual progress report of each candidate availing the scheme.

Cancellation of Scholarship

The school may cancel the scholarship in case of:

- a) Misconduct of the awardees if any reported by the school
- b) Unsatisfactory progress report, ie. If the candidate frequently fails in his/her examination, will not be given further assistance as mentioned

- c) The scholarship may be terminated by the Society, on the recommendation of the school at any time during the tenure. The decision of the Society will be binding.

Document to be submitted by the Candidate

1. The candidate is required to submit an application in the prescribed format for availing the scholarship.
2. A Certificate of the participation/medal winner as per the eligibility mentioned above as proof.
