CERTIFICATE OF STRUCTURAL STABILITY

This is to certify that the building at the **DPSG International School, Dasna** that houses the school have been designed by us and that its construction and engineering were overseen by us as well.

The **structural design** has been designed in accordance with the provisions of the NBC (National Building Code) and relevant IS (Indian Standard) codes (with latest amendments) including Indian standard codes for structures resistant to earthquakes and other natural hazards. Seismic zone 4 has been considered.

The local soil bearing capacity and underground water table have been taken into account in the structural design.
