DPSGI Students Earn Special Mention at MUN

ANIKAIT KAPOOR

Delhi Public School Ghaziabad International proudly celebrates the achievement of Aniket Kapoor (Class IX) and Pavitr Garg (Class VIII), who earned Special Mentions at the prestigious Model United Nations (MUN) conference hosted by DPS Siddhant Vihar.

The event brought together talented delegates from various schools to engage in thought-provoking debates, policy discussions, and diplomatic negotiations on global issues. Aniket and Pavitr impressed the committees with their in-depth research, confident presentation, and persuasive communication skills.

DPSGI remains committed to providing its students with platforms like MUN that foster critical thinking, global awareness, leadership, and public speaking, equipping them to succeed in an increasingly interconnected world.

VANMAHOTSAV ASSEMBLY HIGHLIGHTS!

TARU BHARDWAJ

Our school celebrated Vanmahotsav with a vibrant morning assembly led by our dedicated teachers. The thought and word of the day set the tone, followed by insightful information about the significance of Vanmahotsav. A quick quiz sparked enthusiasm and awareness among students! A special plantation drive was also organised, where students planted saplings, showing their commitment to a greener future. The day emphasized the importance of trees and conservation. Our HOS, Ms. Dimple Chawla, inspired everyone with her words on nurturing nature. Let's grow greener, together!

IPS DEBATE COMPETITION

ANIKAIT KAPOOR

The mega Interschool Debate competition held at DPSG Meerut Road was an enriching and inspiring experience for all participants. The event provided students with an opportunity not only to present their viewpoints on the thought-provoking topic “Disarmament is a Noble Dream Preached by Idealists” but also to listen to a wide spectrum of perspectives from other talented speakers.

Participants spoke their points with great confidence, presenting well-researched arguments and engaging the audience with clarity and conviction. The quality of speeches was so high that the judges had a challenging time deciding the winners, reflecting the remarkable talent and preparation of all speakers.

Speaking on such a significant global issue enabled students to dive deeper into the complexities of peace, security, and political realities. The lively exchange of arguments sharpened their thinking, boosted their confidence, and taught them the importance of framing ideas logically while respecting opposing views.

The atmosphere was charged with enthusiasm, and interactions with students from other schools fostered a healthy spirit of competition and camaraderie. The event was not just about winning but about understanding how to express oneself effectively and persuasively. Nandika Upadhyay and Ananya Garg from grade XII spoke for and against the motion, Anikait Kapoor of grade IX was the Interjector.

Overall, the debate served as a valuable platform for intellectual growth and public speaking skills, leaving participants more confident, informed, and inspired to take part in future events.

YOGA COMPETITION

DEVANSHU SONI

DPSG International proudly organized a vibrant Yoga Competition, celebrating the values of wellness, discipline, and unity. Students from all houses participated with great enthusiasm, showcasing their strength, flexibility, and mindfulness through synchronized asanas and creative sequences. The event highlighted the significance of holistic growth and inner balance. The winners were appreciated for their grace, focus, and dedication to the yogic way of life.

CAREER FAIR VISIT – SENIOR DPSGI STUDENTS AT DPSG VASUNDHARA

ARNAVI CHAUDHARY

In an effort to broaden horizons and guide students towards informed career choices, the senior students of DPSG International recently visited DPSG Vasundhara to attend a well-organized Career Fair. The event proved to be an enriching experience, offering a platform to explore diverse academic and professional opportunities.

Key Highlights of the Visit:

Interaction with representatives from leading universities and experienced career counsellors.

Insightful sessions on emerging career trends and pathways.

Practical guidance on college admissions, scholarships, and skill enhancement.

Engaging Q&A sessions addressing students' queries and motivating them to set clear goals.

The fair not only exposed students to a wide range of options but also helped them align their aspirations with practical career planning. As one of the participating students remarked, "It was eye-opening! I feel more confident about my next steps."

Overall, the visit was a step forward in shaping the students' future, equipping them with valuable insights and inspiration for their academic and professional journeys.

CAREER COUNSELING & READINESS SESSION AT DPSGI

AANYA KANSAL

Delhi Public School Ghaziabad International once again demonstrated its commitment to shaping future-ready learners by hosting an engaging and insightful career counseling initiative with Mr. Akshaiy Srivastav, Senior Counsellor at the Centre for Career Development. With over six years of experience guiding students across leading schools, Mr. Srivastav brought unmatched expertise and energy to the sessions.

The program unfolded in two impactful segments. In the first session, students were introduced to a wide spectrum of academic streams, emerging career paths, and premier universities in India and abroad. The interactive format encouraged curiosity and self-reflection, empowering students with clarity, confidence, and informed choice—hallmarks of DPSGI's educational philosophy.

The second session focused on profile building and strategic planning for higher education. Mr. Srivastav shared actionable guidance on enhancing academic achievements, co-curricular involvement, and personal projects to create standout profiles for top global institutions. Students gained practical insights into aligning their strengths, interests, and goals with suitable career trajectories and higher education opportunities.

Both sessions reflected DPSGI's unwavering vision to nurture confident, capable, and globally competitive individuals. By combining expert mentorship with interactive engagement, the school ensured that its learners are better prepared to navigate the complexities of the modern academic and professional landscape.

MATHFEST CHAMPIONS

TARU BHARDWAJ

We are immensely proud to share that our talented students Avika Garg and Taru Bharadwaj have won the Second Prize in Math Vogue – A Fashion Show Competition*in an Interschool Competition MATHFEST held at DPS GBN

Their creativity, confidence, and the unique fusion of fashion with mathematics truly impressed everyone.

Keep shining and striving for excellence!

PINK COLOUR DAY CELEBRATION

GAURI GOEL

Our little stars of STARRZ shined bright today as they celebrated Pink Colour Day with loads of joy and excitement! Dressed in vibrant shades of pink, our tiny tots explored the colour through fun-filled activities, storytelling, and art & craft sessions! Their cheerful faces and creative expressions made the day truly memorable. It was a beautiful celebration of love, kindness, and positivity – all wrapped in pink!

INTERNATIONAL TIGER DAY AT DPSGI

AANYA KANSAL

DPSGI celebrated International Tiger Day with vibrant and meaningful activities across grades, aimed at raising awareness about tiger conservation. From colouring sheets in STARZ, decorating tigers in PYP 1, mask making in PYP 2 & 3, to slogan and poster creation in PYP 4 & 5, each activity was a roar of creativity and purpose. The celebration not only fostered environmental awareness but also nurtured creativity, fine motor skills, and a sense of responsibility toward nature. Our young learners roared with pride—honouring the majestic tiger through colours, craft, and conversation!

PYP1 - TYPES OF HOUSES

MITUSHI AGARWAL

The curious learners of Grade 1 at DPSG International explored the topic Types of Houses. They learned about temporary and permanent houses and understood their features. Children enthusiastically drew different types of houses in their notebooks. To reinforce their learning, they created creative house models using craft materials. Through these models, they confidently showcased their understanding in a fun and engaging way!

PYP 4 Students Shine in Group Reading Activity

MITUSHI AGARWAL

The students of PYP 4 recently participated in an exciting group reading activity, where they showcased their growing confidence and expressive reading skills. Each group selected a dialogue from a story and brought the characters to life through voice, tone, and teamwork.

The activity not only helped students practice fluency and expression but also encouraged collaboration and active listening. It was wonderful to see their creativity and enthusiasm as they read their parts with confidence and clarity.

Teachers and classmates were impressed by the students' efforts, making this activity a delightful celebration of reading and teamwork!

ANANT PRAKASH – BOOK REVIEW

Title: Harry Potter and the Half-Blood Prince

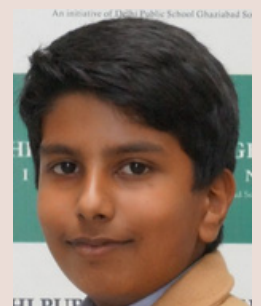

Author: J.K. Rowling

Genre: Fiction, Fantasy

Publisher: Bloomsbury

Summary:

In this sixth instalment of the Harry Potter series, Harry returns to Hogwarts as Voldemort's dark influence continues to grow. Dumbledore begins giving Harry private lessons to explore the secrets of Voldemort's soul, particularly his creation of Horcruxes. During potions class, Harry discovers an old textbook filled with handwritten notes by the mysterious "Half-Blood Prince," which helps him excel academically. Meanwhile, Draco Malfoy is given a secret mission by Voldemort, and Professor Snape makes an unbreakable vow to help him. The story builds up to a dramatic and tragic climax with the death of Albus Dumbledore.

My Views on the Story:

I found this book extremely interesting and full of suspense. The story was intense, emotional, and had many twists and turns that kept me engaged from beginning to end. The mystery behind the Half-Blood Prince and Draco's secret mission added a lot of excitement. I really liked how the book explored the deeper and darker side of magic and gave more insight into Voldemort's background.

My Views on the Characters:

The characters were very well-written and realistic. Harry's bravery and determination were truly inspiring. Dumbledore came across as wise and caring, even in difficult times. Snape's mysterious behaviour made me question his true intentions, and the twist involving him at the end was shocking. I also liked how Hermione and Ron remained loyal to Harry throughout. Each character played their part perfectly and made the story even more enjoyable.

My Opinion on the Book:

This book is one of my favourites in the Harry Potter series. However, I feel that more detail could have been given about Voldemort's past and his rise to power. That would have helped me understand his character even better. Still, I was completely impressed by the storytelling, imagination, and emotional depth of this book. It made me laugh, feel tense and even brought tears to my eyes.

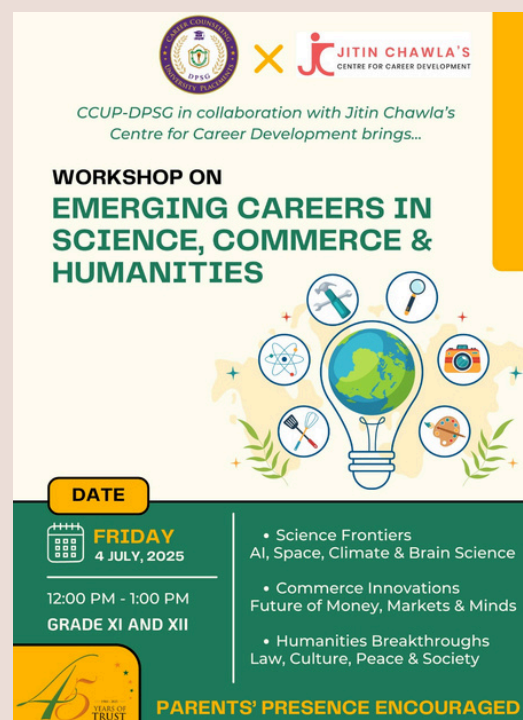

I would definitely recommend this book to anyone who enjoys fantasy, mystery or stories full of magic and adventure.

Overall Rating: 5/5 stars

Alumni Interaction Webinar – AIR 23 CA Mains Topper

AAIMAH ATHAR

DPSG society hosted an inspiring alumni interaction with CA Mehul Garg, AIR 23 in CA Mains (May 2025) and a proud alumnus of the 2021 batch. The exclusive webinar for DPSG students offered valuable insights into CA as a career, debunking myths, and exploring its future potential in a tech-driven world. Mehul shared his journey from school to national achievement, discussed the impact of AI on the profession, and motivated students with practical tips for success. The interactive Ask Me Anything segment made the session engaging and informative for all participants.

The poster features the logos of DPSG and Jitin Chawla's Centre for Career Development.
