PREMIER SCHOOLS EXHIBITION 2025

Gauri Goel

At the Premier Schools Exhibition 2025 held at Expo Centre, Noida, DPSG Schools warmly welcomed parents to explore a world of innovation, strong values, and global opportunities

This exclusive forum provided parents with a wonderful opportunity to connect directly with the Admissions Teams of DPSG Meerut Road, DPSG Vasundhara, and DPSG International.

From the dynamic IB Curriculum to a nurturing culture that encourages holistic growth and lifelong success, parents discovered why DPSG remains a trusted name across generations.

Teacher's Day Celebration at DPSGI

Nandika Upadhyay

Teacher's Day was celebrated at DPSGI with great enthusiasm to honour the invaluable contributions of teachers and their role in shaping the nation's future. The day marks the birth anniversary of Dr. Sarvepalli Radhakrishnan, an eminent scholar, philosopher, and the second President of India, who firmly believed that teachers play a pivotal role in building a just and enlightened society.

The celebration began with a vibrant assembly conducted by the students under the leadership of the Student Council. The council had thoughtfully planned the day as a gesture of gratitude towards their mentors who not only impart academic knowledge but also nurture moral values, discipline, and wisdom, moulding students into responsible citizens.

The cultural programme included a soulful medley of songs, a graceful dance performance dedicated to the spirit of the guru, and a theatre presentation that humorously portrayed the unique qualities of some teachers. The audience thoroughly enjoyed the lively and heartfelt performances.

Head of School, Ms. Dimple Chawla, addressed the gathering with words of appreciation, congratulating teachers on their relentless dedication and commendable contributions. On behalf of the DPSG Society, she felicitated teachers with certificates across various categories. Students also expressed their affection by presenting adorable titles and handmade cards to both teachers and the admin team.

Adding to the day's excitement, fun-filled games such as Musical Chairs were organised exclusively for the teachers, sparking laughter and joy. A special lunch, followed by engaging activities in the second half of the day, made the occasion even more memorable.

The celebration concluded on a heartwarming note, leaving teachers feeling cherished, respected, and deeply appreciated by their students and the school community.

CARD FOR TEACHERS

Gauri Goel

On the occasion of Teacher's Day, a creative Greeting Card-Making Activity was organized in the school library for students of Classes I to V. The activity aimed to provide young learners with an opportunity to express their love, respect, and gratitude towards their teachers in a joyful and artistic way.

The children enthusiastically designed beautiful greeting cards using colored papers, drawings, and heartfelt messages. Each student dedicated their card to their favourite teacher, filling it with warm wishes and appreciation.

The vibrant and thoughtful cards created by the children truly reflected their admiration and made the celebration of Teacher's Day even more special.

LIBRARY TREASURE HUNT ACTIVITY

ARNAVI CHAUDHARY

The school library organized an exciting Treasure Hunt Activity for Classes I to V with the aim of making students familiar with the library's resources and to encourage joyful learning.

The clues guided the young readers to explore picture books, story corners, magazines, word walls, reference sections, and senior shelves. Each class was given age-appropriate riddles and tasks—for example, finding a picture book with a vegetable on the cover, locating magazines, identifying the storytelling corner, or spotting Hindi storybooks. Senior students solved more advanced clues involving encyclopedias, biographies, dictionaries, and call numbers.

The library buzzed with excitement as children moved enthusiastically from one clue to another, demonstrating teamwork, curiosity, and problem-solving skills. The final treasure for each class included small rewards such as bookmarks, stickers, and certificates, which added to their joy.

JOYFUL PEER LEARNING

ANIKAIT KAPOOR

The students of PYP lengaged in a joyful peer learning session, where they supported and guided each other in every possible way. It was wonderful to see them share knowledge, exchange ideas, and collaborate with enthusiasm. Such activities not only strengthen their understanding but also build confidence and empathy. Truly, learning together is one of the best ways to grow together.

LEARNING THROUGH ART FOR WATER CYCLE

ASHISH SHARMA

The young learners of PYP 1 showcased their creativity and enthusiasm by making colourful Water Cycle posters. With great participation and teamwork, they beautifully represented each stage of the cycle through drawings and labels. The activity not only enhanced their understanding of the concept but also gave them an opportunity to express their ideas artistically. Their imaginative work truly reflected the joy of learning through creativity.

ENGAGED AND JOYFUL LEARNERS

ASHISH SHARMA

The tiny tots of STARZ had an exciting time learning through floor games. They enthusiastically practiced letters, numbers, CVC words, and number names while playing and moving around. The activity turned learning into fun, keeping the children engaged and joyful. Such playful experiences help build strong foundations while making the classroom environment lively and interactive.

CENTRE OF EXCELLENCE PAVES THE WAY

ARNAVI CHAUDHARY

The Centre of Excellence organized RGOI District Roller Speed Skating Championship was held at DPSG International. The championship witnessed enthusiastic participation of more than 500 students from various schools across Delhi NCR

GHAZIABAD DISTRICT SKATING CHAMPIONSHIP 2025

ANANT UPADHYAY

The 10th Ghaziabad District Skating Championship 2025 and the selection trials for the UP State Speed Skating Team for the forthcoming National Championship 2025 were held on 20th & 21st September 2025 at the JSR Skating Track, Chipyana, Ghaziabad.

The event was graced by Mr. Sanjeev Sharma, MLA Ghaziabad, as the Chief Guest. The championship witnessed the participation of more than 300 skaters representing various schools, clubs, and skating academies of Ghaziabad, making it a truly competitive and vibrant sporting occasion.

We are delighted to announce that Prince Malik of Class XII-C represented our school with great dedication and secured the Second Position in all three events – One Lap+D, 1500 meters, and 1000 meters. With this remarkable performance, he has also been selected to represent the Ghaziabad District Speed Skating Team at the forthcoming UP State Championship 2025.

The championship not only provided a platform for young talent to showcase their skills but also fostered sportsmanship and enthusiasm for skating in the district.

The RGOI District Roller Speed Skating Championship

NANDIKA UPADHYAY

The RGOI District Roller Speed Skating Championship was organized at DPSG International and witnessed the enthusiastic participation of over 500 students from various schools across Delhi NCR.

Four promising skaters from Class II—Aayat, Aavya Pathak, Akriti Raj, and Dheer Shukla—proudly represented DPSGI in this prestigious competition. All the participants showcased remarkable determination, discipline, and sportsmanship throughout the event.

We are delighted to highlight the achievements of our young skaters:

- Dheer Shukla – 1st Position
- Aavya Pathak – 3rd Position
- Akriti Raj – 3rd Position

The commendable performance of our students brought laurels to the school and reflected their dedication and consistent practice. The championship provided an excellent platform and valuable exposure, inspiring our young athletes to aim higher and excel in future competitions.

GAURI GOEL – BOOK REVIEW

Title: Mindset: The New Psychology of Success

Author: Carol Susan Dweck

Genre: Self-help / Psychology

Publisher: Random House

Summary:

This book explains the concept of two types of mindsets—fixed mindset and growth mindset. People with a fixed mindset believe their abilities and intelligence are static, while those with a growth mindset see challenges as opportunities to learn and improve. Through research, examples, and real-life stories, the author shows how adopting a growth mindset can lead to success in education, sports, business, and personal life.

My Views on the Story:

I liked how the author connected psychology to daily life. The examples made the concepts clear, though at some points the book felt a little repetitive.

My Views on the Characters:

Since this is a non-fiction book, there are no traditional characters, but the real-life examples of students, athletes, and professionals serve as inspiring role models. Their journeys reflect the power of a growth mindset.

My Opinion on the Book:

I was very impressed by how simple yet powerful the ideas are. The book motivated me to think positively, embrace challenges, and keep learning. I would definitely recommend it to students, teachers, and anyone who wants to improve themselves.

Overall Rating: ★★★★★½ / 5
