## Celebrating Resilience and Achievement: DPSG Meerut Road Graduation Day for Grade 5 Learners

Adya Dua

**Ghaziabad:** DPSG Meerut Road celebrated Graduation Day to applaud young enthusiastic learners of Grade 5. The ceremony celebrated the remarkable strength, resilience, and limitless potential of the young graduates as they embarked on the next stage of their academic journey. The Principal Captain (Dr.) Dinisha Bhardwaj Singh, welcomed the gathering with an insightful address, commending the students for their perseverance and encouraging them to embrace the challenges ahead with confidence.

The highlight was the presentation of certificates, where each child, dressed in a graduation gown and cap, proudly walked the stage to receive their graduation honours. The Graduation Day ceremony also served as a reminder of the nurturing environment that DPSG Meerut Road provides, where each student is encouraged to thrive academically, socially, and personally. As the event came to a close, the graduates and their families were filled with a sense of hope and anticipation for the future. DPSG Meerut Road continues to lay a strong foundation for these young learners, preparing them to face the challenges of tomorrow with a confident and positive outlook.

## Aradhya Sharma:

**Youngest Finisher of Apollo Tyres New Delhi Marathon**

Aradhya Sharma, a Grade 11 student, made history by becoming the Youngest Finisher of the Apollo Tyres New Delhi Full Marathon held at Jawaharlal Nehru Stadium, New Delhi. Aradhya conquered the grueling 42.195 km race with an impressive timing of 4:30:27, showcasing incredible endurance, determination, and resilience. His remarkable achievement at such a young age is truly inspiring and a testament to his hard work, discipline, and unwavering spirit. Completing a full marathon is no small feat, and Aradhya's dedication to pushing his limits sets a shining example for young athletes everywhere. His journey is a reminder that with passion and perseverance, anything is possible.

Celebrating the accomplishments and bright futures of Grade 5 graduates at DPSG Meerut Road: A day of pride, resilience, and new beginnings

DT'S Himanshi Saraswat caught up with Ms. Ashima Sharma, Coordinator Secondary Wing for Q&A session

**Q1.What is your favourite thing about being a coordinator?**

My favorite part of being a coordinator is the opportunity to work closely with both students and teachers to create a positive learning environment. I enjoy supporting teachers in their lesson planning and helping students reach their full potential. Seeing students grow and succeed is incredibly rewarding.

**Q2.How do you support students in balancing academics with cocurricular activities?**

Balancing both is crucial for holistic growth. I encourage students to prioritize time management by creating realistic schedules. Additionally, I collaborate with teachers to ensure workloads are manageable. We guide students on balancing studies, sports, and hobbies effectively.

**Q3.What advice would you give to students to succeed in their academic and personal lives?**

My advice to students is to stay curious, be disciplined, and embrace challenges. Academic success comes from consistency and smart study habits, but personal growth is equally important. Most importantly, maintain a positive attitude and never stop learning.

# En Route to Jaipur: An Educational Trip Through Time

Tunisha Chaudhary

**Ghaziabad:** An exciting and educational trip to Jaipur was organized for the students of grade 5, offering them a perfect blend of fun, adventure, and immersive learning. Over two enriching days, they explored the architectural marvels, historic landmarks, and vibrant culture of the Pink City. From the towering ramparts of Amber Fort to the intricate latticework of Hawa Mahal and the grandeur of City Palace, the students were mesmerized by the artistry and craftsmanship that have stood the test of time. One of the most fascinating experiences was at Jantar Mantar, an astronomical wonder where they marveled at ancient instruments used to track celestial bodies and measure time with remarkable precision.

The trip was not just about sightseeing but also about experiencing history and science firsthand. Walking through the grand palaces and observatories, students gained a deeper appreciation for India's rich heritage and architectural brilliance. Their curiosity soared as they engaged in discussions, asked questions, and imagined life in the royal era. This unforgettable journey was a perfect example of learning beyond the classroom, leaving the students inspired and eager for more such explorations.

Grade 5 students embark on an unforgettable journey through Jaipur, exploring its rich history, architectural wonders, and scientific marvels while creating lifelong memories

## DPSG MR Students Secure ISRO Internship as Top 100 Finalists in SPOT Exam

Kavyanjali

**Ghaziabad:** Parjanya Panda (Grade 10), Khushi Poniya (Grade 9), Vihaan Khatri (Grade 8), Kritika Arya (Grade 6), and Nyra Mittal (Grade 3) brought immense pride to the school by securing a place among the Top 100 Finalists in the prestigious Vikram Sarabhai Science Foundation SPOT Examination after clearing two challenging rounds of online tests.

Their hard work and dedication have earned them a once-in-a-lifetime opportunity to intern at ISRO India—a major leap toward a bright future in space science and technology. This achievement not only highlights their talent but also serves as an inspiration for aspiring young scientists at DPSG MR.

DPSG's brightest minds reach for the stars with ISRO Internship

## DPSG MR Starz Celebrate a Joyous Kindergarten Graduation

Atharv Gulati

**Ghaziabad:** The enthusiastic learners of the Starz Wing stood together in a moment of sheer joy and pride to honour Kindergarten graduates. The little masters of grade KG have blossomed beautifully, achieving remarkable milestones along the way. They enjoyed a journey from being mother's little child evolving into confident IB learners, with a profile, attitude, essential skills, and competencies. Their hard work and enthusiasm have truly set a strong foundation for their future learning adventures. Let's congratulate them for their new beginning with endless possibilities.

Celebrating the bright beginnings of our DPSG MR Starz tinytots

## Pre-Nursery Stars Shine in Expressive Solo Performances

Himanshi Saraswat

**Ghaziabad:** Solo stage performances provided a wonderful platform for the young learners of Pre-Nursery to showcase their talents and build confidence. They expressed themselves beautifully through rhythmic poems, developing essential communication and public speaking skills. The combination of voice modulation, facial expressions, and body language brought their poetry to life in a creative and engaging way. These performances not only nurtured their artistic expression but also encouraged self-confidence and stage presence, paving the way for future learning and growth.

Young storytellers captivating the stage with their expressions

DT'S Shreya Jain caught up with Mrs. Sheetal Sharma, TGT Computer Science for Q&A session

**Q1. How do you make computer science engaging and accessible for all students?**

Computer Science is a dynamic field, and I believe in making it interesting by using real-world applications and interactive learning methods. I encourage problem-solving and logical thinking by giving students real-life challenges to solve through programming.

**Q2. What are your thoughts on the BYOD (Bring Your Own Device) policy, and how does it impact learning?**

The BYOD policy has great potential to enhance learning, as it allows students to have access to their personal devices, making lessons more interactive and self-paced. However, it also comes with challenges, such as ensuring responsible usage and minimizing distractions. To address this, I emphasize digital discipline, set clear guidelines, and integrate engaging tasks.

**Q3. How do you prepare students for future careers in technology?**

The tech industry is constantly evolving, so I focus on teaching both fundamental concepts and emerging trends like AI, cybersecurity, and cloud computing. Additionally, I introduce them to industry tools and platforms, ensuring they are well-prepared for higher education and careers in technology.

# Play Time at DPSGMR: A Joyful Experience for Growth and Learning

Rishika Agarwal

**Ghaziabad:** The kindergarten children had a delightful and enriching experience playing on the swings. They spent a considerable amount of time excitedly pumping their legs to swing higher and higher, thoroughly enjoying the thrill of the activity. Not only did this provide them with fun, but it also supported their physical development by strengthening their muscles, improving balance, and enhancing coordination. In addition to the physical benefits, the children practiced important social skills such as taking turns, sharing, and working together as they cooperated with one another. The experience of feeling the wind in their hair and the warm sun on their faces brought immense joy and happiness to the children.

Children happily swinging, enjoying the thrill and laughter of playtime

## PARENTS SPEAK – CD 2020

Mrs. Anita Sharma  
(M/o Unnati Sharma, 9F)

*DPSG Meerut Road fosters curiosity, creativity, and joyful learning. Grateful for the nurturing environment where my child's confidence and growth have flourished. Thank you for creating a supportive environment that fosters excellence!*

Mrs. Poonam Kasana  
(M/o Aaradhya Kasana, 10D)

*My experience with DPSG MR has been truly remarkable. The teachers pay close attention towards child's progress and learning and give them plenty of opportunities to get new experiences. Thank you, DPSG MR—we look forward to many more years of learning and opportunity!*

Mrs. Anju Toshi  
(M/o Tanmay Joshi, 9D)

*At DPSG MR, our children bloom into confident, curious, and compassionate individuals. We're grateful for the dedicated teachers, nurturing environment, and endless opportunities. Thank you, DPSG MR!*

Mrs. Parul Tyagi  
(M/o Laavanya Tyagi, 9B)

*The school integrates academic excellence and character development, fostering a well-rounded education. Teachers create a nurturing environment with effective communication, cultivating compassionate students.*

## DPSG MR Starz Celebrates Holi with Colors of Joy and Togetherness

Ishaanika Goel

**Ghaziabad:** Holi brought joy to DPSG Starz like blooming flowers, painting the world in vibrant hues of love, happiness, and unity. The festival of colors was not just a celebration; it was a beautiful expression of togetherness, a time when hearts united, and laughter echoed through the air. As bright gulal swirled through the breeze, children and teachers immersed themselves in the spirit of the festival, their faces adorned with radiant smiles. The air was filled with cheerful voices, the sound of playful splashes, creating a symphony of joy that lingered in every heart. More than just a playful exchange of colors, Holi at DPSG Starz became a reflection of nature's beauty, a tribute to the blossoms that surrounded them and the renewal that spring brought. It was a time to spread kindness, embrace friendships, and celebrate the diversity that made each color even more meaningful.

Colors of Joy: Kindergarteners Celebrate Holi with Laughter and Cheer!

## Capacity Building Programme on Life Skills Development at DPSG MR

Shreya Jain

**Ghaziabad:** Delhi Public School Ghaziabad, Meerut Road, successfully hosted CBSE's Capacity Building Programme on Life Skills, empowering educators with strategies to enhance students' emotional intelligence, resilience, and decision-making. Led by Dr. Mukta Sharma, Ms. Mrinalini, Ms. Aradhana Sharma, and Mr. Pankaj Munjal, the session featured interactive discussions on integrating life skills into teaching. Principal Captain (Dr.) Dinisha Bhardwaj Singh welcomed the speakers and participants, emphasizing the importance of continuous professional growth. The workshop provided valuable insights, equipping educators with practical tools.

Educators Gather for the CBSE Life Skills Workshop at DPSG Meerut Road

## Little Scientists in Action: Kindergarten Science Day Celebrations

Hyma Yadav

**Ghaziabad:** The kindergarten scientists celebrated Science Day with fun-filled experiments and activities in the Primary Wing science park. As curiosity filled the classrooms, children engaged in hands-on experiences, blending fun with discovery. Each experiment became a stepping stone towards growth and arose a spark of understanding in the minds of young children.

Young Minds Explore Science Through Fun Experiments!

## DPSG MR Organises Informative Student-Led Offline Orientation Programme

Siddhi Singh

**Ghaziabad:** On March 22, 2025, DPSG Meerut Road conducted a student-led offline orientation programme, welcoming parents of new admissions.

This programme not only showcased the school's ongoing academic efforts but also gave parents a preview of the exciting opportunities available in the upcoming session.

The interactive & informative session effectively bridged the gap between new parents and the school.

The offline orientation programme was a total success

## Orientation Programme Hosted for Parents of Primary Students

Abhinav Banerjee

**Ghaziabad:** On 26th March 2025, an orientation programme was conducted for the new parents of students of Grades 1-5. It was an excellent opportunity for the parents to get to know about the activities of the school and to create a bond with the teachers as the school is a home away from home for their wards. The parents were briefed about the rules and regulations of the school. From showcasing projects to setting exciting goals for the future, the PYP Learners' dedication and enthusiasm were truly inspiring. The session gave the parents an idea of the curriculum which is self-directed with hands-on learning activities.

Students giving an overview of the subjects and engagements of the year ahead

## DPSG MR Hosts Engaging Online Orientation Programmes

Advik Gaur

**Ghaziabad:** Student-led online programmes were successfully conducted by the school for parents of students transitioning from Grade 5 to 6, Grade 6 to 7, Grade 7 to 8, and Grade 9 to 10. It provided insights into the past year's events and achievements while acquainting new parents with the assessment policy, School Health Programme, community engagement initiatives, blended learning, and the Parent Connect Portal.

The enthralling online orientation programme

## Successful Open House at DPSG Meerut Road

Krishna Gupta

**Ghaziabad:** The Open House for Grades 6 to 9 was successfully organized on March 28, 2025 (Friday), at Delhi Public School Ghaziabad Meerut Road. Parents and teachers engaged in meaningful discussions about students' academic progress, strengths, and areas for improvement, along with report card distribution. Alongside the Open House, a Books Donation Drive was also conducted to encourage parents and students to donate educational resources for underprivileged children. The Open House successfully fostered a strong parent-teacher partnership.

Report card distribution and insightful discussions between parents and teachers

## Strengthening Community Bonds: Blood Donation Drive

Kavyanjali

**Ghaziabad:** DPSG MR, in collaboration with Rotary Club Ghaziabad North, hosted a successful blood donation camp on March 28, 2025. The event saw enthusiastic participation from parents, alumni, and staff, making it a resounding success. Donating blood is a safe and healthy practice that is one of the most effective ways to support others in need. This develops a sense of compassion and care for others.

Compassion in action, saving lives together.

## Holistic Learning: Adaptation Program

Rishika Agarwal

**Ghaziabad:** To acquaint the new learners with the school, DPSG MR organised an Adaptation programme. The programme encouraged the inclusion of all students by addressing individual learning styles, needs and promoted diversity within the school environments. The students enjoyed the acts performed by their teachers which kept them captivated and enthralled during the event

Welcoming new students through engaging performances.

## Grade 4 Learners Pay Tribute to Kasturbha Gandhi

Lavanya Sethi

**Ghaziabad:** On her 81st death anniversary, Grade 4 PYP Learners of DPSG Meerut Road paid tribute to Kasturbha Gandhi at Gandhi Darshan, Rajghat through the Conclave on 'Role of Young Women in Shaping Viksit Bharat 2047', organized by Gandhi Smriti and Darshan Samiti, Ministry of Culture. The talented young artists took centre stage with their Nukkad Natak 'UDAAN', powerfully showcasing the role of young women in building a progressive India. The event also featured insightful Town Hall discussions, institution-led stalls, and inspiring street plays—all reinforcing the vision of an empowered future led by women. It was a day of learning, inspiration and a promise for a change.

Empowering change through theatre

## Revolutionizing Education: Research in Competency-Based Learning

Shreya Jain

**Ghaziabad:** Competency-Based Learning for a Future-Ready Generation. Kudos to Ms. Tapsi Jain, Ms. Sweta Mohan, and Ms. Yashika Grover for their groundbreaking research on Competency-Based Learning. Their study explores how CBL prioritizes skill mastery over traditional content-based instruction, aligning with New Education Policy 2020 and transforming the way students learn. The paper examines the shift from conventional assessment methods to competency-driven evaluations under the Central Board of Secondary Education. reinforces the significance of Capacity Building Learning in preparing students for 21st-century challenges.

Outstanding research in competency based learning

## A thought for today

*"No one can make you feel inferior without your consent."*

-ELEANOR ROOSEVELT

## Should Nations Focus on Economic Growth or Environmental Protection?

Countries around the globe are facing a tough question: should they put their energy into economic growth or environmental protection? This is a crucial issue because both a thriving economy and a healthy environment are important for a brighter future.

Economic growth is important because it generally improves people's lives. When a country's economy expands, it creates more jobs, better schools, and improved healthcare. A strong economy allows nations to invest in innovative technologies that can help safeguard the environment. For example, advancements like solar panels, electric vehicles, and wind energy emerge from economic progress and contribute to reducing pollution, making our planet cleaner.

However, if we focus solely on financial gain and neglect the environment, we could face serious consequences. Clean air, freshwater, and lush forests are essential for our survival. If we deplete our natural resources, we risk dealing with polluted air, unsafe drinking water, and extreme weather events. Once the environment is damaged, it can be incredibly challenging to restore it.

That's why it's crucial to have a balance. Nations don't have to choose between a strong economy and a healthy planet—both can coexist. Governments can encourage industries to adopt clean energy solutions and environmentally friendly practices. Investing in renewable energy sources like wind and solar creates jobs and benefits the environment.

## Rise and Shine

Each morning brings a brand-new start,  
A chance to dream with all your heart.  
The road ahead may twist and bend,  
But every step is worth the end.

The stars were once beyond our reach,  
Yet now they shine to guide and teach.  
With courage strong and vision bright,  
No dream is ever out of sight.  
Mistakes may come, don't be afraid,  
For every diamond once was made  
Through fire and time, with pressure high,  
So spread your wings—it's time to fly

Believe, achieve, stand tall, be proud,  
Your voice is strong, so shout out loud  
No storm or doubt can break your will,  
With hope and effort, climb that hill.  
So rise and shine, embrace the day,  
Your journey's great in every way

**Ishaanika Goel**

## Wisdom Tree

### *The First Ones to Acknowledge The Existence of The Solar System:*

*While history credits Copernicus for proposing the heliocentric model of our solar system, it was the Rig Veda that first noted the central placement of the sun and other planets orbiting it in the solar system.*

*Rig Veda*  
*1.164.13*

*The Rig Veda, dated back over 3,000 years, is the oldest sacred text in Hinduism. Comprising hymns and rituals, it's a spiritual treasure trove, offering insights into ancient Indian wisdom and the pursuit of divine knowledge.*

*Rig Veda*  
*1.35.9*

*"The sun moves in its own orbit but holding earth and other heavenly bodies in a manner that they do not collide with each other through force of attraction."*

## STARZ Learners Embark on Adventure Camp

Evelyn Alex

**Ghaziabad:** IB learners of the Starz Wing leapt into challenges, conquered fears and soared with confidence while enjoying the Adventure Camp. The great outdoors became the ultimate classrooms, fueling creativity and grit. Every moment of the event sparked curiosity and leadership qualities within the little champions of the Starz Wing.

Starz learners enjoying the Adventure Camp

## Grades 1 & 2 Learners Enjoy Adventure Camp

Athrav Gulati

**Ghaziabad:** DPSG Meerut Road's excited learners of Grade 1 and 2 embarked on an action-packed adventure camp. The event was filled with thrilling activities like tube wrestling, sack race, obstacle course and other team-building games. The students discovered strengths within themselves, built new friendships and created lifelong memories, making it an unforgettable experience.

Grades 1 & 2 students sack racing in the Adventure Camp

## Grades 3-5 Adventure Camp: Where Excitement Meets Learning

Niyantara Krishnan

**Ghaziabad:** The Adventure Camp at DPSG MR was a wonderful opportunity for the students of Grades 3, 4 and 5 to explore their sense of adventure and extend themselves beyond what they considered themselves capable of. The school playground transformed into an adventure zone with various special activities such as ziplining, tug of war, commando net climbing, Burma Bridge many more. These activities were conducted in completely safe and controlled environments and were targeted at developing team spirit, confidence, perseverance, and leadership skills within the students.

Exploring new heights of adventure and teamwork at DPSG MR!
