DT's Sreeyanshi Bhatt, IBDP Group 4 Sciences, caught up with DP Chemistry Facilitator Ms. Minakshi Pathak for Q&A session

Q1. What is the nature of Chemistry in IBDP?

Ans. DP emphasizes on chemistry as an experimental science, where students develop skills in laboratory techniques, data collection, and analysis. The IB chemistry curriculum integrates topics that address global challenges related to energy, pollution and sustainable development.

*Ms. Minakshi Pathak
Designation: DP Chemistry Facilitator*

Q2. How are the students engaged in chemistry in IBDP course?

Ans. Students have opportunities to design investigations, collect data and analyse results. They also collaborate with peers and evaluate and communicate their findings. The investigations may be laboratory based or they may make use of simulations and data-bases.

Q3. How does the study of sciences in IB contribute to promote international mindedness?

Ans Topics such as pharmaceutical development, environmental contamination, and synthetic chemical production are explored not only scientifically but also ethically. This approach encourages learners to think about the impact of chemistry on global health, environment and society.

Ganga Utsav 2024: Inspiring Students and Communities in Ghaziabad

Tunisha Chaudhary

Ghaziabad: The Ghaziabad District Administration hosted an inspiring Ganga Utsav at Hindi Bhavan to celebrate and raise awareness about river conservation, especially for the sacred Ganga. The event, inaugurated by District Magistrate Sh. Indra Vikram Singh, brought together students from various schools.

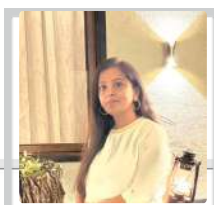

Special congratulations to our talented students-

Kritika Viridi of grade 11 and Hitee Singh of grade 8, for securing 1st place in the painting competition in their respective categories. Students of grade 5 opened the event with an enchanting invocation dance, honoring the deep cultural connection to our rivers.

PARENTS SPEAK – CD 2020

Ms. Ritu Choudhary
(M/o Arush Jawla, Nursery Lotus)

I have had the privilege of attending various events at DPSG MR and I can confidently say that it has been an enriching experience. The school offers a well-rounded education that balances academic excellence with extracurricular opportunities. I feel IB PYP encourages curiosity and love for learning.

Ms. Aditi Khare Jain
(M/o Avyan Aditi Jain, 1D)

I was skeptical of him attending IB PYP initially as it doesn't follow a traditional approach but now I feel happy and satisfied as it has been a transformative experience for my young learner. The curriculum is purely inquiry-based and children acquire knowledge.

Ms. Shweta Chaudhary
(M/o Adhya Chaudhary, 1F)

I want to extend my sincere gratitude to DPSG team for the incredible support and opportunities provided through the PYP learner program. My child has truly thrived and grown through various activities such as solo performances, dance showcases, Sports Day, and the recent Samanvay art exhibition.

Ms. Benin Rajkumari
(M/o Manasvi Goel, Pre Nursery Daisy)

Being part of the DPSG family as a parent is truly a blessing. The teachers at DPSG Meerut Road bring immense love and dedication to their roles, guiding our children with unwavering commitment. It is truly inspiring to witness the strong connections they build.

IB PYP

DT's Lavanya Sethi caught up with Ms. Usha Suresh for Q&A session

Ms. Usha Suresh

Q1. What do you love about your job?

Being in the profession of taking care of students as a nurse at primary level has always been challenging for me but I have always admired my job as it has given me unique ability to connect with students. Spending more time with each child, listening to them and ensuring their medications are administered correctly gives me immense level of satisfaction.

Q2. What are your favourite memories of DPSG Meerut Road?

Nursing is a profession that requires a genuine dedication to serve and support for others. At times when students do not feel comfortable with their teacher they come to me and discuss their medical problems. I try to soothe the feelings of fear and distress of students and provide safety and care to them.

Q3. Any message for the future students?

Always be kind and sympathetic to others. believe in yourself and your capabilities. If you do good to others, the action come backs to you as good. I also encourage students to be happy always and reach out to their elders, who they consider safe whenever they are in any problem.

भारत के अनमोल रत्न

भारत के अनमोल रत्न,
ज्ञान और वीरता का संग।
हर दिल में बसी महक,
प्रेम से भरा हर अंग।
भारत के अनमोल रत्न,
जो हुए थेकभी शहीद।
चौक गई दुनिया देख कर ये जवान बहादुरी,
ऐ मेरे रत्न, ऐ मेरे प्यारे वतन।
भारत के अनमोल रत्न,
ज्ञान और वीरता का संग।
हर दिल में बसी महक,
प्रेम से भरा हर अंग।
इंद्रधनुष जब है आता,
बारिश और सूरज की एकता है दरशाता।
आसमान में रंग भर देता,
और साधारण जीवन में खुशियाँ लाता।
भारत के अनमोल रत्न,
ज्ञान और वीरता का संग।
हर दिल में बसी महक,
प्रेम से भरा हर अंग।
रावण का वध किया था जिसने,
सीता माँ को भी बचाया था उसने।
हनुमान भक्त जिनके हैं वो,
श्री रघुपति हैं वो।
श्री राम! श्री राम!
भारत के अनमोल रत्न,
ज्ञान और वीरता का संग।

हर दिल में बसी महक,
प्रेम से भरा हर अंग।
जिस देश में दिया जाता है हर विषय पर
ध्यान,
कुछ महाज्ञानियों ने हमारे देश की शान
को बढ़ाया।
आर्यभट्ट, शकुंतला, और रामानुजन ने,
बढ़ा दिया सबका मान।
भारत के अनमोल रत्न,
ज्ञान और वीरता का संग।
हर दिल में बसी महक,
प्रेम से भरा हर अंग।
ये रत्न हैं धरती के आभूषण,
जिनसे महकती हर फसल, हर पुष्प है।
पारिस्थितिकी में जो जोड़ते हैं रंग,
उनसे ही भारत की सुंदरता का है संग।
भारत के अनमोल रत्न,
ज्ञान और वीरता का संग।
हर दिल में बसी महक,
प्रेम से भरा हर अंग।
जिनके ज्ञान और बल से ये धरती धन्य
हो गई,
उनकी गाथाओं से हमारी संस्कृति सज
गई।
ऐ मेरे वीरों, ऐ मेरे ज्ञान के प्रकाश,
तुमसे ही है मेरा भारत विशेष और
उल्लास।
