FROM THE PRINCIPAL'S DESK

"Children are the world's most valuable resource and its best hope for the future." – John F. Kennedy

It filled my heart with immense pride and joy to witness a truly special phase for the DPSG Meerut Road family. Udaan 2025 – The Sports Fiesta and Cultural Confluence beautifully showcased the imagination, brilliance, resilience, and creative spirit of our learners. Held in our newly inaugurated auditorium, रङ्गमण्डप, the celebrations brought the space to life with energy, colour, and youthful vibrance.

"रङ्गमण्डप" itself stands as a landmark addition to our campus—an architectural symphony that celebrates art, intellect, and innovation. With a grand seating capacity of over 450, an immersive 600-square-foot video wall, acoustics engineered for perfection, advanced sound and lighting systems, and climate-controlled comfort, it is more than an auditorium. It is a sanctuary of expression, a temple of creativity, and a cradle of collective consciousness.

As we look back on these milestones, I feel deeply appreciative of our students, whose energy, sincerity, and passion infuse every event with purpose and pride.

I extend my heartfelt appreciation to our parents, whose unwavering support and partnership strengthen the foundation of our school. Your encouragement motivates our learners to strive higher, dream bigger, and embrace every opportunity with confidence.

Together, as educators, parents, and learners, we move forward with the shared belief that **every child can create a future filled with promise and possibility.**

तेरा मंगल , तेरा मंगल , तेरा मंगल होय रे,
सबका मंगल, सबका मंगल, सबका मंगल होय रे।
जल में, थल में, और गगन में, सबका मंगल होय रे।
राग, द्वेष और मोह मिट जाये, शील समाधि होय रे।
तेरा मंगल, मेरा मंगल, सबका मंगल होय रे।

Warm Regards,
Principal
