FROM THE PRINCIPAL'S DESK

"Success is the sum of small efforts, repeated day in and day out." – Robert Collier

At Delhi Public School Ghaziabad, Meerut Road, every milestone in our students' journey is built on consistent effort, thoughtful reflection, and unwavering resilience. As our learners in Grades 10 and 12 prepare with dedication for their forthcoming Pre-Board Examinations, these assessments stand as more than evaluations of knowledge, they are invaluable opportunities to refine examination strategies, strengthen conceptual understanding, and build the confidence essential for the CBSE Board Examinations ahead. I encourage all our students to approach this phase with diligence, discipline, and a composed,

focused mindset. Remember, success is not achieved overnight; it is the result of steady perseverance and purposeful effort. Every step you take today lays the foundation for the achievements of tomorrow. November will also witness UDAAN, the three-day-long DPSG Foundational Domain Festival, a student-led celebration that recognizes and showcases excellence across Art Education, Citizenship Studies, School Health Programs, and Clubs & Societies. This comprehensive event integrates the various aspects of the Foundational Domain,

providing students with a platform to demonstrate essential competencies such as creativity, leadership, collaboration, and responsible citizenship. Adding to this vibrant atmosphere, *Samanvay*—our Inter-School Art Fest—will bring creativity to the forefront, celebrating imagination, expression, and artistic talent. Such platforms nurture aesthetic appreciation and inspire our students to think beyond boundaries, transforming ideas into meaningful works of art. November will also mark the inauguration of a state-of-the-art auditorium equipped with world-class acoustics and an LCD display—an inspiring space for cultural performances, academic events, and assemblies. In keeping with our commitment to technology-enabled learning, we are also in the process of installing Interactive Flat Panels and white glass boards in all classrooms from Early Years to Grade 5. As we look ahead to an enriching and eventful month, I take this opportunity to express my heartfelt gratitude to our teachers for their tireless dedication and to our parents for their unwavering trust and partnership. Together, we continue to create an ecosystem where learning flourishes, values deepen, and dreams take flight.

At DPSG Meerut Road, we steadfastly believe—

"Excellence is not a destination; it is a journey of continuous growth and inspired effort."

Warm Regards,
Ms. Priti Wason
Principal
