DPSG SUSHANT LOK SHINES AT THE STUDENT COUNCIL LEADERSHIP PROGRAMME 2025

Dehradun: From June 2nd to June 6th, 2025, the scenic campus of SelaQui International School, Dehradun, came alive with vibrant energy and purpose as it hosted the DPSG Student Council Leadership Programme—a transformative, week-long residential experience that brought together student leaders from across all DPSG schools.

Excellence Deserves to be Celebrated

DPSG Sushant Lok is proud to offer Merit-Based Scholarships for students entering Grade XI, based on their Grade X Board Exam results (CBSE & CISCE).

DPSG Sushant Lok was proud to be a part of this prestigious initiative, with our School Captain, Vice-Captain, House Leaders, and other Council members actively participating in every aspect of the programme. Throughout the training, our student leaders immersed themselves in a rigorous and inspiring leadership journey designed to build core competencies aligned with the DPSG Student Council's SOPs.

From mock council sessions to high-impact role-plays, from real-world case studies to scenario-based group activities, our students practiced, reflected, and developed their leadership skills with renewed purpose.

A standout moment for our delegation was the Integrated Council Collaboration Workshop, where leaders across all roles came together to ideate and plan for joint council initiatives. This not only deepened inter-role understanding but also set the tone for meaningful, school-wide student engagement in the upcoming academic year.

The training concluded with a visionary proposal for continuous leadership growth through mentorship programs, reflective leadership journals, periodic workshops, and a mid-year retreat—ensuring that the journey doesn't stop here.

We at DPSG Sushant Lok celebrate this incredible milestone and extend our heartfelt gratitude to the organisers and facilitators of this inspiring initiative. Our students return empowered, equipped, and excited to lead with integrity, compassion, and commitment—true ambassadors of the DPSG spirit.

DPSG SUSHANT LOK: EMPOWERING EDUCATORS THROUGH THE PLDP 2025

Gurugram: DPSG Sushant Lok was proud to be an enthusiastic participant in the Professional Learning and Development Programme (PLDP) hosted by the DPSG Haryana Cluster—a powerful initiative that brought together passionate educators, dynamic ideas, and a shared vision for transformative teaching and learning. Held with the intent to elevate classroom practices and align pedagogy with 21st-century learning goals, the PLDP was a day filled with reflection, innovation, and collaboration.

The programme began with an inspiring session on Art Integration, where our teachers explored enriching ways to embed visual and performing arts across subject areas. The hands-on session opened up imaginative pathways to make learning more experiential, inclusive, and emotionally resonant, equipping our educators with techniques that spark creativity and critical thinking in the classroom.

This was followed by focused, subject-specific workshops, led by expert facilitators who shared practical strategies on:

- Inquiry-based learning
- Effective classroom management
- Technology integration
- Curriculum SOPs
- Enhancing learner engagement through innovative tools

These sessions not only deepened disciplinary understanding but also encouraged collaborative problem-solving, peer learning, and the reimagining of everyday classroom experiences.

Our team of educators from DPSG Sushant Lok actively engaged in group discussions and reflective exercises that reinforced the importance of continuous professional growth and team synergy. The experience invigorated our teaching community and strengthened our commitment to creating student-centered, inclusive, and future-ready learning environments.

We deeply value such opportunities that align with our mission of lifelong learning. The PLDP reaffirmed our belief that teaching is not just a profession but a transformative journey, and we remain committed to walking that path with passion and purpose.

Here's to empowered educators, inspired classrooms, and a brighter educational future—for every learner, every day.

DPSG SUSHANT LOK REOPENS WITH ENERGY, EXCITEMENT, AND ENTHUSIASM

GURUGRAM: After a refreshing summer break, the corridors of DPSG Sushant Lok once again echoed with laughter, chatter, and the joyful spirit of learning. With cheerful faces and eager hearts, learners returned to school ready to embrace a new term filled with discovery, creativity, and growth.

The school welcomed its learners with thoughtfully planned activities, vibrant bulletin boards, and warm greetings from teachers and staff.

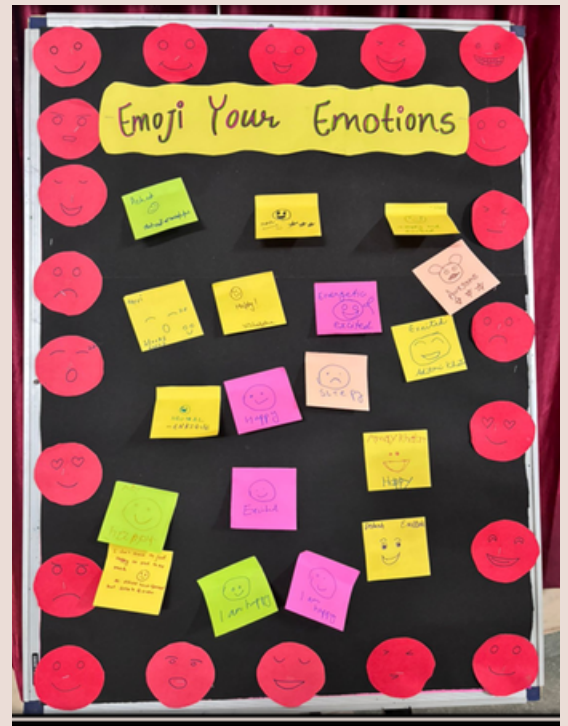

Classrooms came alive with storytelling sessions, reflection circles, and ice-breaking games designed to help children reconnect with their peers and adjust smoothly back into the rhythm of school life.

Teachers initiated the new academic term with enthusiasm, focusing on building classroom community, revisiting routines, and setting goals for the coming months.

Special assemblies and mindful practices helped learners ease into a positive mindset and get excited for the adventures ahead.

At DPSG Sushant Lok, we believe each child returns not only with a suitcase full of holiday memories but also with fresh ideas, stories to tell, and dreams to chase. Here's to a joyful, inspiring, and action-packed new session!

COMPREHENSIVE STAFF DEVELOPMENT WORKSHOPS AT DPSG SUSHANT LOK: EMPOWERING SUPPORT TEAMS FOR OPERATIONAL EXCELLENCE

Gurugram: In line with its commitment to capacity building and operational efficiency, DPSG Sushant Lok conducted a series of focused training programs for its non-teaching staff throughout May and June 2025. These sessions aimed to enhance soft skills, technical knowledge, and safety awareness across departments including transport, security, housekeeping, and administrative operations.

DPSG conducted a series of impactful training sessions aimed at enhancing the skills and efficiency of its support and administrative staff. Sessions included Soft Skills Training for aayas and housekeeping staff, MEP (Mechanical, Electrical, Plumbing) training, and First Aid workshops to ensure safety readiness. Drivers received specialized training in vehicle maintenance and safe driving practices. Staff also benefited from sessions on

Inventory Management, Lab & Facility Safety Protocols, and Tally Software, strengthening operational and financial efficiency across departments. These workshops reflect DPSG's proactive approach to ensuring that all members of its support team are skilled, safety-aware, and aligned with the school's operational standards.

The training initiatives have not only empowered the staff but also strengthened the foundation of a safe, efficient, and responsive school environment.

DPSG SUSHANT LOK UNVEILS REVAMPED BASKETBALL COURT AND ALL-NEW PICKLEBALL ARENA: A STEP TOWARDS SPORTING EXCELLENCE!

Gurugram: DPSG Sushant Lok proudly inaugurated its newly revamped basketball court along with a state-of-the-art pickleball arena, marking a significant stride in promoting a culture of health, fitness, and sportsmanship on campus.

This sports infrastructure enhancement reflects the school's commitment to holistic education, where physical well-being and teamwork are nurtured alongside academic excellence. Students and faculty alike expressed excitement about the new facilities, which promise to add vibrancy to school life and open new avenues for talent development and inter-school competitions.

With this initiative, DPSG Sushant Lok continues to pave the way towards creating future-ready individuals who are as strong in character and collaboration as they are in knowledge.
