OPPORTUNITIES BEYOND CLASSROOM

-----SOCIAL SCIENCE WEEK

Earth Day Celebration

“Be the green you want to see in the world.”

The Earth Day celebration at DPSG Sushant Lok was held with great enthusiasm on 22nd April 2025. The event aimed to inspire young learners to value and protect our planet through hands-on activities and educational experiences. Students across all grades participated in creative competitions, expressing their ideas through vibrant posters and thoughtful slogans.

Field Trip

To mark the successful culmination of Social Science Week, a field trip was organized for students to the Pradhanmantri Sangrahalaya on 25th April 2025. The visit aimed to deepen students' understanding of India's political history and the contributions of its Prime Ministers in shaping the nation.

Highlights:

- Exploration of thematic galleries on each Prime Minister.
- Hands-on interactive kiosks and VR experiences.
- Reflection session post-visit to share key learnings.

The visit to Pradhanmantri Sangrahalaya was a fitting and inspiring conclusion to Social Science Week, leaving students motivated to learn more about India's journey as a nation.

Nukkad Natak

The Nukkad Natak served as a powerful culmination of the week's activities. The street play was performed by students from various grades and aimed to raise awareness about climate change, pollution, and the need for sustainable practices. On the Theme- Climate Action: Saving Our Planet a skit was depicted. The scenarios highlighting the consequences of environmental neglect and the actions individuals can take to mitigate climate change. Key messages included. Both boys' and girls' teams displayed skill and agility in 🏀 Basketball tournament. Indoor games drew attention for the precision and focus of the players through 🏸 Badminton and Table Tennis. Learners showed strong teamwork and resilience, making the matches engaging for the audience through 🏐 Volleyball Matches.

LABOUR'S DAY

At DPSG Shushant Lok, the little champions of the Primary Wing celebrated Labour Day on May 1st, 2025. The celebration aimed to recognize the hard work and dedication of the school's non-teaching staff including housekeeping, maintenance, security, transport, and administrative teams. Students from the primary made cards and distributed chocolates as a mark of respect and gratitude. Labour Day at DPSG School was not just a celebration—it was a meaningful reminder of the importance of every individual's contribution to society. The event helped students understand the value of hard work and encouraged them to treat all professions with respect and gratitude.

MOTHER'S DAY

The **Mother's Day Celebration** at **DPSG Sushant Lok** was a heartwarming and joyous event filled with love, laughter, and appreciation. It provided students a platform to express their love and admiration for their mothers. The program began with a warm welcome by the teachers, who highlighted the importance of mothers in our lives and encouraged students to always honour and respect them. Learners presented songs and dances, skits, and poems dedicated to mothers. Through handmade cards and interactive mother-child activities, like "Paint the Tote bags" and 'Sow a Seed' programs. The event concluded with refreshments, where mothers and children shared joyful moments and took photos at themed photo booths. Mother's Day at DPSG School was a touching celebration that highlighted the unique and irreplaceable role mothers play in a child's life. It not only brought smiles to every face but also reinforced the values of love, gratitude, and respect in the hearts of our young learners.

FUTSAL COMPETITION

The Futsal Competition for Grades 1 to 5 was held with great enthusiasm and active participation. This event aimed to promote physical fitness, teamwork, and sportsmanship among our young students while introducing them to the fundamentals of football in a fast-paced, engaging environment. Participants Students from Grades 1st to 5th participated in the event. Teams were formed by class and age group to ensure fair play and healthy competition. A total of 6 Players in teams took part in the tournament. Highlights • Matches focused on fun, participation, and learning basic rules. All players received participation certificates. • Displayed promising skills, with matches showing great energy and coordination. • Played competitive and tactically sound matches, demonstrating good teamwork and strategy.

FIELD TRIP

The learners of Grades 1 to 5 from DPSG Sushant Lok, went on an exciting educational field trip to the Biodiversity Park. The visit aimed to enhance their understanding of flora, fauna, and ecological balance through hands-on learning outside the classroom. Through the 🌿 Guided Nature Walk the learners were explained about different types of plants, trees, insects, birds, and animals found in the area. The young minds were fascinated to see native and medicinal plants, butterflies, bird nests, and small animals in their natural habitats. Learners reflected their understanding as they developed a deeper respect for nature and environmental awareness.

FUN PARTY

The last day of school at DPSG was nothing short of a **splashing success!** To bid farewell before the summer break, students from Grades 1 to 5 enjoyed a lively **Rain Dance and Fruit Party**, organized by the primary department.

🌧️ Rain Dance Fun: The celebration began with an energetic **rain dance** session in the school playground. Students came dressed in their colorful casual wear and danced joyfully to the beats of lively music under a gentle sprinkle of water sprays. The atmosphere was filled with laughter, excitement, and nonstop fun as children enjoyed dancing freely with their friends and teachers.

🍉 Rainbow Fruit Party Delight: After the dance session, students headed to their classrooms for a refreshing **fruit party**. Tables were decorated with seasonal fruits like **watermelon, mangoes, bananas, apples, grapes, and papaya**. Each child brought a fruit from home and shared it with classmates, reinforcing the values of **sharing and healthy eating**.

Teachers explained the **nutritional benefits** of fruits and encouraged students to include them in their daily summer diet. The colorful fruit platters not only looked appealing but were also thoroughly enjoyed by everyone.
